

## CELLARCLUB APPLICATION FORM

Wine Ark's CELLARCLUB is a specialised buyers group for collectors of fine wine. Established in 1999, it gives Members access to some of Australia's most sought after and difficult to obtain wines.

Unlike traditional wine clubs that focus on mixed cases of mass produced wines, the CELLARCLUB only offers rare and exciting wines with the potential to age. It's also a genuine club experience.

Leveraging off the buying power of thousands of members and strong contacts within the wine industry, our members enjoy:

- invitations to world class wine tastings and dinners
- priority access to highly collectable wines
- wine news, reviews, suggestions and recommendations
- a broad range of discounts and savings

To purchase any wine you simply order from those presented in our regular email offers. Your purchases are then delivered directly to your nominated Wine Ark site, saving you both time, energy & money. It really couldn't be any easier.
